

Adoptive/Foster Family Support Group

Through **Lutheran Adoption Service** you can help a child find a “life-long loving family.” Every child needs love, shelter, and guidance. LAS is a non-profit organization proud to serve the needs of ALL foster children throughout Michigan regardless of race, gender, religious or sexual orientation.

Join other families who have gone through, or are going through the adoption process. Ask questions, make connections and gain support!

Our Mission

Lutheran Adoption Service, motivated by the Gospel of Christ, exists for the purpose of providing adoption services to children who cannot be raised by their birth parents. LAS is an extension of the ministries of Samaritas and Wellspring Lutheran Services and strives to be responsive, creative and caring in its approach to enhancing stability in the lives of children and families it serves.
